

Department of State

Lead Foreign Affairs Officer

DEPARTMENT: Department Of State, Office of the Coordinator for Reconstruction and Stabilization

JOB ANNOUNCEMENT NUMBER: S/CRS-2009-0006

SALARY RANGE: 98,033.00 - 127,442.00 USD per year

OPEN PERIOD: Monday, December 01, 2008 to Monday, December 15, 2008

SERIES & GRADE: GS-0130-14/14

POSITION INFORMATION: Full-Time Term Appointment not-to-exceed 3 years

PROMOTION POTENTIAL: NA

DUTY LOCATIONS: 3 vacancies - Washington DC Metro Area, DC

WHO MAY BE CONSIDERED: Open to all U.S. citizens

MAJOR DUTIES:

The incumbent serves as a team leader for a small CRC-A team and attached personnel or deputy team leader for a larger team.

Assists in conceptualizing, creating and institutionalizing a new conflict assessment, planning, and operations frameworks, both in Washington and on deployments.

Contributes policy inputs to assist in operational planning, budget formulation and development for CRC-A deployments and elements of reconstruction and stabilization assistance that will be executed long after CRC-A has left a country or region.

Assists S/CRS, DOS regional bureaus and other agencies in devising reconstruction and stabilization and conflict prevention methods that build on lessons learned in, and reported from, CRC deployments.

Conducts extensive coordination prior to deployments, including working with the Department of Defense, Agency for International Development, Departments of Commerce, Justice, Treasury, Agriculture, Health and Human Services, Bureau of International Narcotics and Law Enforcement (INL) and Diplomatic Security (DS), the Bureau of Population, Refugees and Migration (PRM) and Political-Military Affairs (PM) to assess, plan, coordinate, execute, or support work in the region or country emerging from conflict.

Represents the Director in DoS and Interagency settings to formulate specific plans for deployments and in Embassy setting where he/she works with the Chief of Mission and designated Country Team Members to facilitate rapid response for advancing stabilization and reconstruction objectives.

Participates in field-based military exercises and operations, which includes participating in military patrols in operational environments.
